Specifications

Dimensions:	115 x 105 x 80 mm
Weight:	100 g
Product code:	BNEALBW (Large wireless)
	BNEAMSBW (Medium Small wireless)

Research

Unnatural postures are a risk factor for development of complaints of wrist and underarm (Karlqvist 1994, Jensen 1998, Hagberg 1994). When the mouse is positioned closer to the body the strain of shoulders and neck decreases (Armstrom 1995, Cook 1998).Productivity is lower when using a trackball and touchpad, standard mice and pen tablets enable a higher productivity.

1

1. Neutral wrist position

2. Wireless version
